

10 September 2022

◆ **The KCI's Policy in Receiving Visitors:**

The Kyoto Costume Institute (KCI) will take the following measures when receiving visitors to prevent spread of the COVID-19. Thank you in advance for your understanding and cooperation.

① **Checking visitors' body temperature**

At the entrance, we will be checking the visitors' body temperature. Please acknowledge that everyone in your party will not be permitted to enter the building if one of you has temperature higher than 37.5°C.

We ask our visitors to register for “Kyoto City New Coronavirus ANSHIN TSUISEKI (follow-up Safety) Service”.

② **Masks required**

All visitors need to wear masks. You won't be able to enter the building if you don't have it.

【You are kindly requested the following when visiting the KCI Gallery.】

- Wash and disinfect your hands.

- Keep distance between people.
- Refrain from visiting the gallery in order to prevent spread of the COVID-19 if you have any of the following symptoms:
 - You have symptoms of cold.
 - You have a fever over 37.5 °C.
 - You feel a strong fatigue.
 - You have breathing difficulties.
- If you have been to any country with ongoing spread of coronavirus within the last two weeks, please refrain from visiting the gallery.

◆ Gallery's countermeasures for COVID-19 prevention:

The KCI has taken the following measures:

- Body temperature measurement before commuting by employees and stay-home policy for any staff with flu-like symptoms or a fever over 37.5 °C.
- If staff member has close-contact with an individual who is positive with COVID-19, the person should report to the KCI and stay home.

- Masks for all staff.
- Handwashing, making sanitary with alcohol, and gargling.
- We keep distance between people.

Thank you for your understanding and cooperation in advance.
